Subject: EP Energy Ute Tribal 3-34A1E O&G New Minor Source Registration Part 2 Form
Attachments: EP Energy Ute Tribal 3-34A1E Oil and Natural Gas Minor Source Registration Part 2_05-29-2018.pdf

Claudia,

On behalf of EP Energy E&P Company, L.P., I am submitting the attached O&G New Minor Source Registration Part 2 Form for the Ute Tribal 3-34A1E well site/tank battery that began production on April 10, 2018. Please let me know if you have any questions or require additional information.

Thank You,
Julie
